### Privacy

As part of your dealings with Toyota Insurance we collect personal information (including sensitive information such as health information) about you (**'Your Information'**). Wherever possible we will collect Your Information directly from you. However, there may be occasions when we collect Your Information from someone else.

We value your privacy and will only use Your Information for the purposes for which it was collected, other related purposes notified to you and as permitted or required by law. You may choose not to give us Your Information, but this may affect our ability to provide you with our products or services.

We may share Your Information with our related entities and third parties who provide services to us or on our behalf or with other entities for purposes for which it was collected. Some of these entities may be located outside of Australia.

For more details on how we collect, store, use and disclose Your Information please read our privacy policy (**'Policy'**) located at [toyotainsurance.com.au](http://toyotainsurance.com.au) or contact us at [insurance@toyota.com.au](mailto:insurance@toyota.com.au) or on 137 200 to ask us to send you a copy of the Policy. ### Duty of disclosure

Before you enter into or renew this policy, you have a duty to disclose to us every matter that you know, or could reasonably be expected to know, that is relevant to our decision whether to insure you and anyone else to be insured under this policy, and on what terms. This duty applies at inception of the policy, and before you renew, extend, vary or reinstate this policy.

Your answers to our questions must be honest, correct and complete and you have a duty under law to tell us anything known to you, and which a reasonable person in the circumstances would include in answer to the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

You do not need to tell us about anything which:

- reduces the chances of you making a claim;
- we should know about because of the business we are in; or
- we tell you we do not want to know.

If you should fail to comply with your duty to disclose, we may reduce or deny any claim that you make or cancel your policy. If you act fraudulently, we may refuse to pay your claim and treat your policy as never having existed.

## COMPREHENSIVE INSURANCE COVER

### The protection we provide

#### Agreed value

The Toyota Insurance Comprehensive Motor Vehicle policy provides agreed value cover, so you will always have the certainty of knowing the amount for which your vehicle is covered during the period of cover. The agreed value amount will be shown on your policy schedule.

#### Cover for accidental loss or damage to your vehicle

We will cover you for accidental loss or damage (including fire and theft) to your vehicle.

We will:

- a. arrange for the repair of your vehicle;
- b. pay you the fair and reasonable cost of repairing your vehicle; or
- c. declare it a total loss, and either replace your vehicle (refer to the section 'Additional Benefits – Replacement with new vehicle after a total loss' to find out more) or pay you the agreed value shown on your policy schedule.

Refer to the section 'How we settle your claim' to find out more.

#### Cover for damage to other people's property

We will cover your legal liability to pay compensation for loss or damage to someone else's property caused by an accident involving:

- your vehicle or a substitute vehicle; or
- a boat, caravan or trailer whilst attached to, or accidentally detached from, your vehicle or a substitute vehicle.

We will also cover the legal liability of:

- any driver of your vehicle or a substitute vehicle, provided that person was not covered by another insurance contract at the time of the accident;
- passengers who are in, or getting into or out of your vehicle or a substitute vehicle, with your permission; and
- your employer, principal or business partner arising out of your use of your vehicle or a substitute vehicle.

We will not cover legal liability:

- when the loss or damage occurs to property you own or for which you are responsible;
- if your vehicle or a substitute vehicle was being used without your permission at the time of the accident;

- which is insurable under a statutory or compulsory insurance or compensation scheme or another policy covering such liability; or
- that you agree to accept without our express written consent, and where such liability would not have existed without your agreement.

#### Maximum amount payable

The maximum amount we will pay for legal liability arising out of any one motor vehicle accident is **\$20 million**.

### Driving instruction cover

#### Learner drivers

We will provide cover for accidental loss or damage to your vehicle if it is being driven by or in the charge of a learner driver. We will not apply the undisclosed driver excess but any age or licence excess payable in the event of a claim will be that applicable to the licensed driver providing the instruction.

This cover will be provided so long as:

- the learner driver holds a valid learner's licence or learner's permit equivalent for the state or territory in which they live;
- a fully licensed driver who is listed on the policy accompanies the learner driver and is in the vehicle as the instructing passenger in the front seat; and
- the driving lesson is not a paid lesson.

This benefit does not apply once a learner driver gains their probationary licence. After that time that driver will need to be nominated as a driver as noted on your policy schedule, otherwise the undisclosed driver excess will also be payable in the event of a claim.

#### Defensive driving courses

We will cover damage to your vehicle as a result of an accident that happens while you are participating in a defensive driving course.

### Glass cover

When your vehicle's windscreen, sunroof glass or window glass is accidentally damaged, we will repair or replace the windscreen, sunroof glass or window glass with parts which meet applicable Australian Design Rules.

If you have chosen to purchase the optional 'Excess-free glass cover' benefit you will not be required to pay any type of excess that applies to your policy for the first glass cover claim. Refer to the section 'Optional Benefits with Comprehensive cover – Excess-free glass cover option' to find out more.

## ADDITIONAL BENEFITS

### Keys, locks and barrels

If any of the keys or devices giving access to your vehicle are stolen, or they have been illegally copied, we will pay up to **\$1,000** per claim (over and above any basic and voluntary excess that applies to your policy) for the replacement of your vehicle's keys or devices and/or recoding of your vehicle's locks and barrels. You must pay any basic and voluntary excess that applies to your policy.

We will provide this cover if:

- the theft of the keys/devices has been reported to the police; and
- the keys/devices were not stolen by a relative, spouse or de facto, an invitee, any person ordinarily residing with you or with whom you ordinarily reside, or any other person insured under this policy.

### Replacement with new vehicle after a total loss

When we declare your vehicle a total loss because of accidental damage or theft you will be eligible for a new replacement vehicle based on the following conditions:

#### 1. Toyota vehicles

If your Toyota vehicle becomes a total loss and it is within the **first three years** of its original registration at the time of the accident, you will receive a new replacement vehicle provided you:

- purchased this insurance cover within 12 months of the vehicle's original registration; and
- have insured this vehicle with us continuously under a comprehensive motor vehicle insurance policy.

Where you have not purchased this insurance cover within 12 months of the vehicle's original registration, but you have insured the vehicle continuously under a comprehensive motor vehicle insurance policy, the new vehicle replacement benefit will also apply if we declare your Toyota vehicle a total loss and the vehicle is still within the first two years of its original registration at the time of the accident.

The new replacement vehicle will be:

- a. a new Toyota vehicle of the same make, model and series, provided such a vehicle is available in Australia (including all on-road costs associated with the new replacement vehicle); or if this vehicle is not available,
- b. another vehicle in the Toyota range up to the original purchase price (inclusive of all on road costs).

#### 2. Lexus vehicles

If your Lexus vehicle becomes a total loss and it is within the **first four years** of its original registration at the time of the accident, you will receive a new replacement vehicle provided you:

- purchased this insurance cover within 12 months of the vehicle's original registration; and
- have insured this vehicle with us continuously under a comprehensive motor vehicle insurance policy.

Where you have not purchased this insurance cover within 12 months of the vehicle's original registration, but you have insured the vehicle continuously under a comprehensive motor vehicle insurance policy, the new vehicle replacement benefit will also apply if we declare your Lexus vehicle a total loss and the vehicle is still within the first two years of its original registration at the time of the accident.

The new replacement vehicle will be:

- a. a new Lexus vehicle of the same make, model and series, provided such a vehicle is available in Australia (including all on-road costs associated with the new replacement vehicle); or if this vehicle is not available,
- b. another vehicle in the Lexus range up to the original purchase price (inclusive of all on-road costs).

#### 3. Non-Toyota and Non-Lexus vehicles

If your vehicle becomes a total loss and it is within the first two years of its original registration at the time of the accident, you will receive a new replacement vehicle provided you:

- purchased this insurance cover within 12 months of the vehicle's original registration; and
- have insured this vehicle with us continuously under a comprehensive motor vehicle insurance policy.

The new replacement vehicle will be:

- a. a new vehicle of the same make, model and series, provided such a vehicle is available in Australia (including all on-road costs associated with the new replacement vehicle); or if this vehicle is not available,
- b. another vehicle in the manufacturer's range up to the original purchase price (inclusive of all on-road costs).

Any on-road costs we pay in connection with the new vehicle will be less any refund you receive from the registration and Compulsory Third Party insurance for your vehicle. We will require you to provide us with written proof of the refund amount you have received.

Where your vehicle is subject to a finance agreement, the terms and conditions of that agreement may require you to obtain the financier's consent before replacing your vehicle. To ensure any such requirement is met, we will obtain the financier's consent before replacing your vehicle.

For an example of how we calculate a claim for a new replacement vehicle see Example 1(a) under the '*Claim payment examples*' section of this PDS.

### Toyota Certified Pre-Owned Vehicle total loss benefit

If your Toyota Certified Pre-Owned Vehicle becomes a total loss within two years of the date of purchase and:

- you do not qualify for, or choose not to take a new replacement vehicle; and
- you have continuously insured your Toyota Certified Pre-Owned Vehicle with us since the date of purchase,

we will pay you the agreed value shown on your policy schedule **at the date you purchased** your Toyota Certified Pre-Owned Vehicle.

### Legal costs

We will pay for all legal costs and expenses which are incurred for any claim or action we have defended in your name in relation to this policy, provided we have given our prior approval for these costs.

### Towing and storage

Following accidental loss or damage to your vehicle covered by this policy, if your vehicle cannot be driven safely, we will pay the cost for the protection, removal and towing of your vehicle to the nearest repairer or place of safety authorised by us.

### Re-delivery costs

If the accident covered by this policy occurs more than 100 kilometres from your home, we will cover the cost of transporting your vehicle to your home once it has been repaired or transporting your vehicle to a repairer of our choosing in your local area prior to its repair.

### Trailer, boat and caravan cover

We will also pay for accidental loss or damage (including theft) to your registered trailer, boat or caravan, which at the time of the accident covered by this policy:

- was attached to your vehicle; or
- became accidentally detached from your vehicle as a result of the accident.

We will pay the lesser of:

- the fair and reasonable cost to repair your trailer, caravan or boat. The fair and reasonable cost is the amount you would incur to repair your trailer, caravan or boat and we will calculate this by reference to relevant information including quotes from repairers that are available to you;
- the market value of your trailer, caravan or boat. We will calculate the market value by reference to factors such as age, make, model and condition of the trailer, caravan or boat; or
- **\$1,500.**

### Personal items

We will pay up to **\$1,000** per claim if personal property belonging to you, your spouse or dependent children is:

- stolen from inside your locked vehicle;
- stolen with your vehicle; or
- damaged as a result of an accident involving your vehicle, subject to a claim being accepted on the policy for loss or damage to your vehicle.

We will:

- repair the item;
- pay you the fair and reasonable cost of repairing the item; or
- pay you the market value for the item at the date of the incident.

Refer to the section '*How we settle your claim – Personal items*' to find out more.

We will not pay for items recovered in an undamaged condition.

No cover is provided for cash, cheques, negotiable items, credit cards or jewellery.

We will require you to provide us with proof of ownership of any stolen items such as receipts or invoices relating to the items.

We may also require that you provide us with a police report for the stolen items.

### Baby capsules and child seats

We will also pay up to **\$800** in total per claim to replace baby capsules or child seats fitted to your vehicle which are:

- stolen from inside your locked vehicle;
- stolen with your vehicle; or
- damaged as a result of an accident involving your vehicle, subject to a claim being accepted on the policy for loss or damage to your vehicle.

We will not pay for items recovered in the condition they were in at the time of being stolen.

### Emergency repairs

If we agree to pay your claim, we will reimburse you for up to **\$800** in emergency repairs to your vehicle, which may be necessary to enable you to continue using your vehicle safely following the accident.

The emergency repairs to your vehicle can be conducted without any prior agreement between you and us. We will need you to provide us with the receipts and/or invoices for all emergency repairs to your vehicle.

### Emergency trip continuation

If your vehicle cannot be safely driven after being stolen and/or damaged in an accident more than 100 kilometres from home we will reimburse the cost of essential:

- transportation for you and your passengers to your home or destination; and
- transportation to collect your vehicle when it has been repaired; or
- temporary accommodation (room rental only) for you and your passengers, up to **\$200** per day.

We will pay a maximum of **\$1,000** per claim for emergency trip continuation.

This benefit is only payable if we accept a claim under the policy, and we will only cover emergency accommodation that is arranged after the vehicle has been stolen and/or damaged in an accident.

Emergency trip continuation costs can be incurred without our prior approval, but we will need you to provide us with receipts and/or invoices relating to these costs.

### Travel expenses

Where your vehicle cannot be safely driven following accidental damage or theft less than 100 kilometres from home and you need to arrange travel from the scene of an accident, we will reimburse up to **\$500** in total for the cost of travel expenses to your chosen location.

This benefit is only payable if we accept a claim under the policy and have authorised repairs to your vehicle. Receipts for payment of the travel expenses must be produced in support of any claim.

### Insurance continuity for replacement vehicles following a total loss

Where you make a recoverable claim following a total loss and we supply a replacement vehicle, instead of your policy coming to an end we will continue this policy for that replacement vehicle.

We will provide you with a new certificate of insurance for any replacement vehicle that we cover under this insurance continuity benefit.

You will not have to pay any premium that is additional to the premium set out in your policy schedule for this benefit. Refer to the section *'What you must pay in the event of a claim – Paying your premium following a total loss claim'* to find out more.

### Rental car following theft

If your vehicle is stolen and the theft has been reported to the police, and the theft is covered by this policy, we will arrange a rental car with one of our preferred suppliers. If one of our preferred suppliers is not available, we will authorise you to arrange a rental car.

In either case, we will pay for the cost of a rental car until the earlier of the following:

- the maximum period of 30 days has ended;
- the date your vehicle has been found undamaged;
- the date your vehicle has been found and any damage to it has been repaired; or
- the date that we settle your claim.

Where one of our preferred suppliers is not available and we have authorised you to arrange a rental car, we will pay up to a maximum of **\$100** per day (inclusive of insurance) for the rental car.

If your vehicle is found undamaged following theft within the 30-day period and the rental car cost is less than your excess, refer to the section *'What you must pay in the event of a claim – Excess'* to find out what happens when the amount of your claim is less than the amount of your excess.

Please refer to the **'Additional Terms and Conditions – Our standard conditions for rental cars'** section of this PDS for our standard conditions (including insurance cover for the rental car) which apply to all rental car benefits in this policy.

## Substitute vehicle

If you use a substitute vehicle while your vehicle cannot be driven, we will provide cover for damage to other people's property caused by your use of the substitute vehicle. Refer to the section '*The protection we provide – Cover for damage to other people's property*' to find out more.

This substitute vehicle benefit applies for a maximum of **14 days** from the day your vehicle was not driveable, or until it is driveable, whichever happens first.

Subject to applicable law, we do not cover:

- the use of any rental car;
- any claim if you do not have legal use of the substitute vehicle;
- any claim if the substitute vehicle belongs to you; or
- loss or damage to the substitute vehicle.

The maximum amount we will pay for legal liability is **\$20 million**.

## Your rewards

From time to time we recognise our loyal customers by offering a range of rewards for which they may qualify. Some conditions may apply, so please refer to the section '*Comprehensive Motor Vehicle Insurance Premium, Excess, Discounts and Claims Guide*' to find out more. Refer to the section '*Product Disclosure Statement overview – Important information – How we calculate your premium*' of this PDS for how to access the Guide.

## OPTIONAL BENEFITS WITH COMPREHENSIVE COVER

You can add the following Optional Benefits to your policy by paying an additional premium when you commence or renew your policy.

These Optional Benefits only apply if you choose and pay for them and will be shown on your policy schedule.

### Rental car following accidental damage

If your vehicle is accidentally damaged and this Optional Benefit is shown on your policy schedule, you will be provided with the convenience of a rental car while your vehicle is being repaired or has been deemed a total loss under the terms of this policy.

If one of our preferred suppliers is available, we will arrange and pay the daily hire rate for a rental car for you. If one of our preferred suppliers is not available, we will authorise you to arrange a rental car.

In either case, we will pay for the cost of the rental car until the earlier of the following:

- the maximum period of 14 days has ended;
- the date your vehicle has been repaired and is able to be driven; or
- the date that we settle your claim if your vehicle is a total loss.

Where one of our preferred suppliers is not available and we have authorised you to arrange a rental car, we will pay up to a maximum of **\$100** per day (inclusive of insurance) for the rental car.

Please refer to the section '*Additional Terms and Conditions – Our standard conditions for rental cars*' of this PDS for our standard conditions (including insurance cover for the rental car) which apply to all rental car benefits in this policy.

### Excess-free glass cover option

If this option is shown on your policy schedule we will repair or replace your vehicle's windscreen, sunroof glass or window glass if accidentally damaged in the period of cover, with parts which meet applicable Australian Design Rules.

You will not be required to pay any type of excess that applies to your policy for the first glass cover claim we accept where glass breakage is the only damage sustained to your vehicle.

Where you are claiming on a second or subsequent occasion for glass cover damage during the period of cover, you will need to pay any type of excess that applies to your policy.

For exclusions that impact on cover, please refer to the section '*When we will not pay your claim*' of this PDS. These exclusions are in addition to any limitations described under the '*Comprehensive Insurance cover*' section of this PDS.

For examples of how we pay a claim for accidental loss or damage to your vehicle, please see Examples 1(a), 1(b) and 1(c) under the '*Claim payment examples*' section of this PDS.

  - iii. who refused to take a test to determine the level of **alcohol or drugs**; or
- c. being driven by you, or any driver (with your permission), after receiving advice from a medical practitioner not to drive, or whilst under the influence of **prescribed medications** that impair the ability to drive.

## Your responsibilities when you claim on your policy

Any person covered by your policy, or claiming under it, must comply with the following conditions.

### You must never, without our consent:

- arrange or authorise any vehicle repairs, (including dismantling the vehicle) unless we have given our express written consent (except for emergency repairs as otherwise authorised in this policy);
- admit liability or guilt;
- make a promise or offer to settle or partly settle the matter or defend the matter; or
- assign your rights under this policy to a third party.

If you do not fulfil any or all of your responsibilities, we may reduce or refuse your claim and/or cancel your policy as permitted by law.

### We will require you to assist us in handling your claim by:

- providing us with correct and complete information and documents (for example proof of purchase, registration papers, repair quotes, bank statements or phone records);
- immediately referring to us any communication that you receive from other parties about your vehicle or claim (for example emails, letters, notices or court documents); and
- not behaving in a way that is improper, hostile, threatening, abusive or dangerous towards us.

In addition, we may require you to:

- be interviewed by us or our representatives;
- attend court to give evidence;
- provide us with details of any other insurance policy that relates to your claim;
- make your vehicle available to us to inspect or examine; and/or
- take your vehicle or allow us to take your vehicle to a place we require such as a repairer nominated by us in order for us to assess your vehicle or obtain a quote.

## WHAT YOU MUST PAY IN THE EVENT OF A CLAIM

### Paying your premium following a total loss claim

The following rules apply to the payment of premium under your policy following a total loss claim.

If you have paid your premium annually and we pay the agreed value shown on your policy schedule following a total loss claim, no premium will be refunded.

If you are paying your premium by monthly instalments, you will first need to pay us any unpaid premium or we will deduct any unpaid premium owing for the period of cover from your claim payment amount.

Where you utilise the *'Insurance continuity for replacement vehicles following a total loss'* benefit and we provide you with a replacement vehicle, we will cover this replacement vehicle for the remaining period of cover under your existing policy. You will not be required to pay any premium that is additional to the premium set out in your policy schedule and your policy will continue until the end of the period of cover.

### Excess

An excess is the first amount you may have to pay toward the cost of a claim before we provide any benefits under this policy. The amount and types of excesses applicable to your policy are shown on your policy schedule. They are also described below and in our *'Comprehensive Motor Vehicle Insurance Premium, Excess, Discounts and Claims Guide'*. Refer to the section *'Product Disclosure Statement overview – Important information – How we calculate your premium'* for how to access the Guide.

### What happens when the amount of your claim is less than the amount of your excess

We will only accept a claim where the amount being claimed is more than the applicable excess.

## Types of excess

The following six types of excess are payable by you when they apply to your claim. The excess payable for any claim will be the total of all applicable excesses added together, depending on the circumstances of the claim.

### Basic excess

The basic excess is the first amount that applies to each claim you make on your policy and varies depending on the state or territory in which you normally reside at the time of a claim.

### Age excess

The age excess applies if the driver was **under 25 years old** at the time of an accident and is payable in addition to other excesses (except the licence excess) when we accept your claim.

### Licence excess

The licence excess is imposed in situations **where the age excess does not apply**, and will be applied where, at the time of an accident, the driver:

- has held an Australian driver's licence for less than two years; or
- is the holder of an overseas, probationary or provisional licence.

The licence excess is payable in addition to other excesses (except the age excess) when we accept your claim.

### Special excess

The special excess applies where your particular circumstances impact the risk covered by your policy and may be imposed, for example:

- where you have modified your vehicle, or added non-standard accessories to your vehicle which may increase the cost of repairs following a claim; or
- because of the driving, criminal or insurance history of you or any regular driver listed on your policy schedule.

The special excess is payable in addition to other excesses when we accept your claim.

### Voluntary excess

The voluntary excess is an optional excess that you may choose to reduce the amount of your premium and is payable in addition to all other excesses in the event of a claim. You can select from our range of excess options. The voluntary excess is payable in addition to other excesses when we accept your claim.

### Undisclosed driver excess

The undisclosed driver excess applies to any claim where, at the time of an accident, the driver of your vehicle was:

- **under 25 years of age; and**
- **was not nominated as a driver** on your policy schedule or renewal notice.

The undisclosed driver excess is payable in addition to other excesses (including the age excess) when we accept your claim.

## When is an excess payable?

You don't need to pay any excess if:

- the accident was caused by another person;
- you or the driver of your vehicle did not contribute to the cause of the accident; and
- you provide us with the full names, current residential addresses, and vehicle registration numbers of all persons involved.

If this occurs, this is called a '**recoverable claim**' in this policy because we may be able to recover what we pay you from the person who is at fault or their insurer.

If you pay an excess and information is later made available to us which shows this should not have been payable, we will reimburse the excess you paid.

You will not have to pay any **age excess, licence excess or undisclosed driver excess** if you are claiming for any of the following:

- theft or attempted theft;
- loss or damage caused by an animal or a weather event such as flood, hail or storm;
- fire;
- malicious damage;
- damage to your vehicle while it was parked; or
- glass cover claims (where glass breakage is the only damage sustained to your vehicle). However where you have chosen to purchase the optional '**Excess-free glass cover**' benefit you will not be required to pay any type of excess that applies to your policy for the first glass cover claim. Refer to the section '**Optional Benefits with Comprehensive cover – Excess-free glass cover option**' to find out more.

Furthermore, if your vehicle is being driven by or in the charge of a learner driver you will not have to pay the **undisclosed driver excess**, but any **age excess or licence excess** payable in the event of a claim will be that applicable to the licensed driver providing the instruction. Refer to the section '**The protection we provide – Driving instruction cover**' to find out more.

## How is an excess applied to your claim?

When you make a claim, you must pay any applicable excess.

If you do need to pay an excess, we will advise you whether this amount is to be:

- paid by you to the repairer or supplier when you collect your vehicle after it has been repaired;
- paid by you to us when we request it; or
- deducted from the amount we pay you.

More than one excess may apply, depending on the circumstances of the claim and whether or not you select a voluntary excess. However not all claims attract an excess. Refer to the section '*What you must pay in the event of a claim – When is an excess payable?*' to find out more.

## HOW WE SETTLE YOUR CLAIM

### If your vehicle has been damaged

Call Toyota Insurance as soon as possible on 1300 658 027.

Once we accept your claim, we will arrange for the repair of your vehicle if we can (and if it is not a total loss).

We will determine whether we can repair your vehicle based on the relevant circumstances, including whether:

- there is any pre-existing damage (such as damage from a previous accident, wear and tear, rust or corrosion) to your vehicle (see '*Contribution to repairs*' in this section);
- there is any damage to non-standard accessories that we have not agreed to cover;
- the availability of a suitably qualified repairer; or
- the parts needed for the repair are available.

If we cannot repair your vehicle, we will pay you the fair and reasonable cost of repairing your vehicle. The fair and reasonable cost is the amount you would incur to repair your vehicle. We will calculate this by reference to relevant information including quotes from repairers that are available to you.

### Repairing your vehicle and the choice of repairer

#### How we choose the repairer

If we arrange for your vehicle to be repaired, we will look after everything for you. To provide you with further peace of mind, any authorised repairs performed will be covered by our Lifetime Repair Guarantee. Refer to the section '*How we settle your claim – The Toyota Insurance Lifetime Repair Guarantee*' on the next page to find out more.

For your convenience we will choose the repairer, authorise the repairs and manage the entire quote and repair process for you. We may obtain two independent competitive quotations from repairers we have chosen (where available) and select the most complete and competitive quote. If you wish you can choose a repairer to provide one of the quotes.

If we consider your repairer's quote to not be competitive and/or complete, or we do not believe that the repairs to your vehicle would be completed to a satisfactory standard, we will give you the option of:

- having the repair carried out by a repairer nominated by us; or
- being paid the fair and reasonable cost of repairing your vehicle.

The fair and reasonable cost is the amount you would incur to repair your vehicle. We will calculate this by reference to relevant information including quotes from repairers that are available to you.

Our Lifetime Repair Guarantee only applies to repairs authorised by us.

We will need to inspect your vehicle before repairs commence or when any further damage is found. If your vehicle can be driven, we will arrange a time for you to bring your vehicle to the repairer.

We will only pay for repairs we have authorised, except for emergency repairs up to **\$800** necessary to allow you to continue using your vehicle safely following an accident.

#### Undamaged areas

If we accept your claim, we will only authorise repairs to those sections of your vehicle that are damaged following the accident resulting in that claim. You cannot claim to repair undamaged parts of your vehicle to create a uniform appearance. For example, if the accident causes damage to the left vehicle panel, then we will only pay to respray the left panel. We won't pay the cost to respray the rest of the vehicle.

#### The Toyota Insurance Lifetime Repair Guarantee

The quality of workmanship and materials on all repairs authorised by us will be guaranteed for the life of your vehicle, even if you no longer own it.

When we authorise repairs to your vehicle and:

- your Toyota vehicle is within the first five years of its original registration or your Lexus vehicle is within the first five years of its original registration at the time of the accident** – we will always use new genuine parts sourced through the manufacturer's Australian distribution channel in the repair of your vehicle, except for the replacement of windscreens, sunroofs and window glass where Australian Design Rule compliant parts may be used.

- b. **your non-Toyota or non-Lexus vehicle is up to three years old from the date of original registration at the time of the accident** – we will use new genuine parts in the repair of your vehicle, except for the replacement of windscreens, sunroofs and window glass where Australian Design Rule compliant parts may be used.

In all other cases, your vehicle will be repaired using genuine parts or parts consistent with the age or condition of your vehicle, except for the replacement of windscreens, sunroofs and window glass where Australian Design Rule compliant parts may be used.

Where replacement parts are required for the repair of your vehicle and are no longer available, we will pay you what it would have cost you to repair your vehicle with those parts had they been available. We will calculate this by reference to relevant information including quotes from repairers that are available to you.

If there is any concern about the quality of the repairs completed by a repairer we have authorised, please promptly contact us. We will arrange for unsatisfactory repairs to be inspected and for the necessary rectification to be carried out. You must not authorise rectification work without our authority (with the exception of emergency repairs carried out under the policy provisions).

#### Contribution to repairs

If we are unable to carry out repairs due to pre-existing damage to your vehicle (such as damage from a previous accident, wear and tear, rust or corrosion), we will ask you to contribute to the cost of repairing the pre-existing damage so that all repairs can be carried out completely and to a satisfactory standard.

If you do not want to pay this amount, we will not authorise any repairs and instead pay you the fair and reasonable cost of repairing the damage that is covered by this policy.

#### If your vehicle is a total loss

Once we accept your claim and determine your vehicle is a total loss we will give you the option to have us:

- provide a new replacement vehicle if you qualify for this benefit (refer to the section '*Additional Benefits – Replacement with new vehicle after a total loss*' to find out more); or
- pay you the agreed value shown on your policy schedule (less any excess and/or unpaid premium).

If you are eligible for the **Toyota Certified Pre-Owned Vehicle total loss benefit** we will pay you the agreed value shown on your policy schedule **at the date you purchased** your Toyota Certified Pre-Owned Vehicle (refer to the section '*Additional Benefits – Toyota Certified Pre-Owned Vehicle total loss benefit*' to find out more).

If we pay you the agreed value and your vehicle is subject to a finance agreement, we will pay the financier the amount owing under your finance agreement up to the agreed value and pay you any remaining portion of the agreed value.

We will retain your damaged vehicle, including any options and accessories and keep the proceeds of any salvage value. We will also retain any unexpired portion of the registration and Compulsory Third Party (CTP) insurance.

#### Personal items

The most we will pay for loss or damage to any personal items is **\$1,000** in total for each claim.

#### Repairable damaged items

Once we accept your claim for a damaged personal item, we will arrange for the repair of the item if we can (and if it is not damaged beyond repair).

We will determine whether we can repair the item based on the relevant circumstances, including the availability of a suitably qualified repairer and whether the parts needed for the repair are available.

If we cannot repair the item, we will pay you the fair and reasonable cost of repairing the item. The fair and reasonable cost is the amount you would incur to repair the item. We will calculate this by reference to relevant information including quotes from repairers that are available to you.

#### Stolen or unrepairable damaged items

Once we accept your claim for a stolen personal item or for a personal item damaged beyond repair, we will pay you the market value for the item at the date of the incident.

We will calculate the market value by reference to factors such as age, make, model and condition of the item.

#### Claim recovery

If you make a claim on this policy, we reserve the right to take action to recover any money paid by us. When we do this, we may need to take such action in your name, and therefore you must cooperate with us and give us any information and assistance we may require through to the completion of the claim. We will meet all expenses associated with our action.

#### GST and Input Tax Credits

If you are registered for GST, you are required to tell us your entitlement to any Input Tax Credits (ITC) on the premium you pay to us. If you do not tell us your entitlement, or if the information you give us is incorrect, we will not be liable for any resulting fines, penalties or charges you incur. When we calculate the amount of any payment we make for a claim, we may reduce the amount by any ITC that you are, will be or would have been entitled to receive.

For example: Where you are entitled to an ITC on your premium and have a total loss accident, we agree to pay you the agreed value of your vehicle calculated at \$21,920. We will reduce this amount by the ITC, which is equal to 1/11th of \$21,920 (or \$1,993). Your payment is then equal to \$21,920 – \$1,993 (or \$19,927).

## If your vehicle has been stolen

**Report the theft immediately to the police and to Toyota Insurance on 1300 658 027.**

- If your vehicle is found damaged within **14 days** from when you reported the theft to us and it can be repaired, we will arrange the repair as set out under *'How we settle your claim – If your vehicle has been damaged'*.
- If your vehicle has not been found within **14 days**, or is found damaged and cannot be repaired, we will declare it a total loss if we have accepted your claim. Refer to the section *'How we settle your claim – If your vehicle is a total loss'* to find out more.

## Third Party Property damage claims

**Call Toyota Insurance as soon as possible on 1300 658 027.**

When the use of your vehicle results in damage to someone else's property we will cover your legal liability to pay compensation for any loss or damage caused. The use of a boat, caravan or trailer attached to your vehicle is also covered. Refer to the sections *'The protection we provide – Cover for damage to other people's property'* and *'Additional Benefits – Trailer, boat and caravan cover'* to find out more.

For examples of how we pay a claim if your vehicle is a total loss see Examples 1(a) and 1(b) under the *'Claim payment examples'* section of this PDS.

# ADDITIONAL TERMS AND CONDITIONS

## Our standard conditions for rental cars

**The following conditions apply to all rental car benefits in this policy.**

The rental car must be arranged by us or authorised by us based on the terms of the relevant benefit. A benefit will only be made available after you have lodged your claim with us, and you have paid any applicable excess(es).

When we arrange a rental car, it will be covered by this policy during the authorised hire period. If the rental car is damaged or stolen during the hire period you will need to lodge a new claim under this policy, and you must pay any excess(es) that apply.

When we authorise you to arrange a rental car, ***the rental car will not be insured under this policy*** and we recommend that you take out insurance for the rental car when you enter into the hire agreement. You will also need to provide us with receipts for the rental charges being claimed in order to receive reimbursement.

The cost of fuel and any other costs associated with the rental car or any additional hire costs will be your responsibility. You must meet the rental conditions which apply, including driver age restrictions, daily kilometre allowances, vehicle return and pick-up locations and the deposit of any bonds.

**The rental car must be returned within one business day of:**

- us advising you that your vehicle has been repaired and is able to be driven;
- us advising you that your vehicle has been found undamaged and is able to be driven;
- the 30-day *'Rental car following theft'* benefit expiry or the 14-day *'Rental car following accidental damage'* benefit expiry (as applicable); or
- the date we settle your claim.

Should you fail to return the rental car within the applicable time period above, you will be liable for the daily rental car cost after this date.

**We will not pay for:**

- rental car costs incurred as a result of a delay by you in having your vehicle repaired;
- any costs incurred due to a delay by a repairer you choose in carrying out repairs; or
- any costs incurred in hiring the car if your claim with us is declined by us or withdrawn by you.

## Paying for your insurance

You must pay your premium by the due date. You can pay your premium annually in one lump sum or by monthly direct debit instalments. The notices we issue at the commencement of your insurance, and at each renewal of your policy, show your chosen payment option.

Your policy schedule shows the amount you need to pay and the due date for your annual premium or monthly instalments.

For an explanation of how we determine your premium please refer to the *'Comprehensive Motor Vehicle Insurance Premium, Excess, Discounts and Claims Guide'*. Refer to the section *'Product Disclosure Statement overview – Important information – How we calculate your premium'* of this PDS for how to access the Guide.

When you tell us about a change to your policy details (for example, adding a new regular driver) this may alter our risk and therefore affect the premium you need to pay.

If the changes reduce your premium and a refund is payable, we will credit your credit card or bank account for the amount owing to you. If any changes increase your premium you will need to pay us any additional premium required within **14 days**.

If you do not pay your premium in full, or any additional premium required, we may reduce your period of cover proportionate to the premium you have already paid.

### Paying annually

You must pay your premium by the due date to receive the insurance cover set out in this policy.

### Paying by monthly instalments

The premium we charge is higher when you pay in instalments than when you pay one lump sum annually. By choosing to pay your premium by monthly instalments this will automatically provide us with an authority to arrange monthly direct debits from your nominated account. We will act in accordance with any applicable governing laws and regulations and we expect you will meet your obligations regarding payment of your direct debit instalments. Your monthly instalment amount and date for each instalment will be set out on your policy schedule.

It is your responsibility to ensure that sufficient funds are in your nominated account to meet each instalment. If your payment details change you must tell us no later than seven days before your next premium monthly instalment is due.

At renewal, we will continue to collect your premium by monthly instalment, unless you advise us otherwise.

### Unpaid monthly instalments

Your monthly instalment must be paid on or before the due date.

If our scheduled attempt to collect your monthly instalment is unsuccessful, we will advise you in writing.

If your payment is overdue, we can do one or more of the following:

- refuse to pay a claim for an incident that occurs after your paid to date if your payment is **14 days** (or more) overdue;
- cancel your policy without notifying you if your payment is one month (or more) overdue.

Where your vehicle is subject to finance, we may advise your financier that the vehicle is no longer comprehensively insured with us.

## Renewing your policy

Before the expiry of your policy we will contact you at your last known address that we have on record or by electronic communication (where you have opted in to receive electronic communication), and:

- set out the terms on which we offer renewal of your policy (**renewal notice**); or
- advise that we are unable to offer you a further period of insurance.

When you receive a renewal notice from us it is important you check that the information set out in that renewal notice is correct and advise us immediately of any changes to your information or details. If the information you provide to us is not honest, correct and complete, we may reduce or deny any claim you make, cancel your policy or treat your policy as if it never existed.

### When we offer to renew your policy, we may require an additional premium:

- if you make a claim in the period between the point in time we calculated the renewal premium and the expiry of your policy; or
- if you tell us about changes to your policy details in that period and we tell you they will increase your renewal premium.

If the additional premium is not paid, we may reduce the period of cover to match the reduced amount you have already paid.

## Changes to your policy

You need to tell us immediately if, during the period of cover any of the following occur:

- the drivers of your vehicle change;
- any change to the ownership of your vehicle;
- the address where your vehicle is regularly garaged/kept changes;
- any of your contact details change, such as your mobile number, postal or email address;
- you replace your vehicle (refer to the section *'Additional Terms and Conditions – Change of vehicle cover'* to find out more);
- your vehicle is fitted with any modification or non-standard accessory;
- any changes to the condition of your vehicle including any damage to your vehicle;
- the way you use your vehicle changes (for example, from private use to business use or vice versa);

- any finance on your vehicle changes;
- the drivers licence or permit for you or any intended drivers of your vehicle has been suspended, cancelled, restricted or endorsed;
- you or any drivers of your vehicle have been convicted of, or had any fines or penalties imposed for, any criminal activity; or
- any details listed on your policy schedule change or are no longer accurate.

### What we will do when you contact us

When you contact us and tell us about these changes we may decide to:

- alter the terms and conditions of your policy;
- charge you an additional premium; or
- apply a special condition to your policy.

In some cases, it could mean we can no longer insure you and we will cancel your policy. For example, this may occur if you have modified your vehicle or changed the vehicle use in a way that we do not agree to cover.

If you do not provide the information immediately, we may be entitled to reduce, or refuse to pay a claim under the policy and/or cancel the policy.

### Cancelling your policy

#### 21-day Cooling Off period

You can cancel this policy within 21 days of its purchase date and you will receive a full refund, provided you have not lodged a claim. To cancel your policy please call Toyota Insurance on 1300 658 027, or email or write to us. Our contact details are provided at the end of this document.

#### Cancellation after 21 days

##### *By you*

You may also cancel this policy at any time after 21 days of its commencement date by requesting us to do so. We will refund the balance of the premium paid in respect of any unexpired period of cover, less a processing charge of **\$40** (inclusive of GST) to cover our administrative and transaction costs. If we have paid a total loss claim or replaced your vehicle under the current period of cover of this policy, you will not be entitled to any refund.

##### *By us*

We can only cancel your policy by giving you written notice in accordance with legislative requirements. If we do this, we will refund the balance of premium in respect of any unexpired period of cover, less a processing charge of **\$40**

(inclusive of GST) to cover our administrative and transaction costs. If we have paid a total loss claim under this policy you will not be entitled to any refund.

For example: if a policy with an annual premium of \$540 was cancelled with 146 days remaining, the refund applicable (following deduction of the \$40 processing charge) would be equal to:  $\$540 \times (146/365) - \$40 = \$176$ .

### Change of vehicle cover

If you purchase another vehicle, we will provide separate temporary cover for both the existing vehicle described on your policy schedule and the replacement vehicle, while you are the legal owner of both vehicles, for up to **14 days** from the date of the purchase of the replacement vehicle provided:

- you give us full details of the replacement vehicle within **14 days** of buying it;
- we agree in writing to cover your replacement vehicle and you accept any modified terms and conditions; and
- you pay any extra premium we may request.

We will cover your replacement vehicle on the same terms as your existing vehicle for up to **14 days** from the date of purchase, and the agreed value will be the lesser of the purchase price of the replacement vehicle or \$150,000.

Cover ceases on the existing vehicle **14 days** from the date of purchase of the replacement vehicle. Please contact us on 1300 658 027 if you require cover on your existing vehicle beyond the 14-day temporary cover period. As confirmation of cover on your replacement vehicle, we will send you a new policy schedule.

### Electronic communication

When you opt in to receive electronic communication this policy is made available to you on the basis that you agree to receive all relevant documentation and any related disclosures, communications and notices, including renewal, endorsement and cancellation notices by electronic communication. Each electronic communication will be deemed to be received by you 24 hours after it leaves our information system. If your email address or mobile telephone number changes, please call us immediately on 1300 658 027 or email us at [insurance@toyota.com.au](mailto:insurance@toyota.com.au) so you can continue to receive such documentation. If you do not notify us of changes to this information, we will not be liable to you in any way whatsoever if you fail to receive any electronic communication from us.

## When your policy ends

This policy will end at the earliest of the following:

- the expiry of the period of cover shown on your policy schedule;
- the effective date of your policy being cancelled (for example; where any monthly instalment has remained unpaid for one month or where you have been fraudulent in your disclosures and we have subsequently found out and cancelled your policy); or
- where you make a total loss claim unless your policy continues under the *'Insurance continuity for replacement vehicles following a total loss'* benefit.

This policy may be a 'protected policy' for the purposes of the Federal Government's Financial Claims Scheme (FCS). The FCS is administered by the Australian Prudential Regulation Authority (APRA). We are authorised by APRA.

In the unlikely event of an insurer authorised by APRA, such as us, becoming insolvent, the Federal Treasurer may make a declaration that the FCS applies to that insurer. If the FCS applies, as a policyholder you may be entitled to have valid claims paid under the FCS. Access to the FCS is subject to eligibility criteria.

Information about the scheme can be obtained from the FCS website at [fcs.gov.au](http://fcs.gov.au).

## CLAIM PAYMENT EXAMPLES

The following are examples of how we pay a claim under this policy and are not terms or conditions of the policy wording. They are examples only and individual claim settlement will depend upon the facts and circumstances of each case.

Please note that the excess amounts provided are for illustration purposes only and your applicable excesses are stated on your policy schedule. Terms and conditions apply in regard to individual claims payments. Please read this Policy and Product Disclosure Statement (PDS) for full details of what we cover, as well as what policy limits and exclusions apply.

You can find further details on excesses, including amounts applicable by state in our 'Comprehensive Motor Vehicle Insurance Premium, Excess, Discounts and Claims Guide'. Refer to the section 'Product Disclosure Statement overview – Important information – How we calculate your premium' of this PDS for how to access the Guide.

### Comprehensive cover claim settlements

#### 1(a) Total loss claim following accidental damage

***A total loss claim where the other driver is making a demand against you (including a claim for towing).***

You have a Comprehensive Insurance policy for your vehicle, which is a Toyota. You have an agreed value of \$30,000. The basic excess shown on your policy schedule is \$850.

Your vehicle is damaged in an accident when being driven by your 21 year old son who holds a full Australian driver's licence and is noted as an additional driver on your policy. Your son caused the accident because he failed to give way at an intersection.

At the time of the accident your vehicle was within the first two years of its original registration and you use it for private use only. The trailer attached to the vehicle is also damaged. Your vehicle is towed from the scene of the accident.

We decide that both your vehicle and your trailer are a total loss and we agree to replace your vehicle with a new vehicle of the same make, model and series.

The owner of the other vehicle brings a court claim against your son in relation to the accident. The damage to the other vehicle and the legal costs of the other driver are assessed by a court at \$15,500. The legal costs to defend your son's legal liability in court are \$5,000.

We replace your vehicle with a new Toyota of the same make, model and series (provided such a vehicle is available in Australia), and pay for the on-road costs, including the cost of the first year's registration and CTP Insurance, if applicable.

We will also pay	Amount
Market value of your trailer (we will pay this to you)	\$800
<b>PLUS</b>	
Towing costs (we will pay this to the towing company)	\$400

**A total loss claim following theft (including claims for personal items and rental car following theft).**

You have a Comprehensive Insurance policy for your vehicle, with an agreed value of \$22,000. The basic excess shown on your policy schedule is \$850.

Your vehicle is stolen and found seven days later in a damaged state. You had a digital camera worth \$300 which was stolen with your vehicle.

We decide that your vehicle is a total loss and agree to pay you \$300 for the loss of the personal item. Your claim is settled on the day your vehicle is found, so you have the rental car benefit for seven days.

You will need to pay us the basic excess.

We will pay	Amount
